Do you feel miserable and like your situation is helpless?

Do you feel like the guy you like is not interested in you or has never even noticed you?

Now imagine what it would be like to have him ask you out on a date.

If you're looking to make him your boyfriend, my first question for you is this: Does any of the following sound familiar?

- "I've tried giving him hints, but I got no reaction"
- "I've talked to his friends to find out information about how he feels about me"
- "I send him texts and messages on Facebook asking him if he wants to hang out"

Let Me Ask You This:

- Don't you want to make him your boyfriend as fast as possible without having to spend another sleepless night?
- Don't you want to make him your boyfriend now before he meets someone else and it's too late?

I've got great news. The only guide you'll ever need is right here, and I promise it will help you understand everything you need to know to get the guy of your dreams.

You see, chasing and running after a guy or sending him texts and emails telling him about your feelings is the EXACT opposite of what you should be doing. The key to making him your boyfriend is to back off, I repeat, the key is to BACK OFF.

This complete step by step, easy-to-read guide will outline every step you need take to make just about any guy you want your boyfriend. It will also show you all the things you might be doing that could hurt your chances of getting him to ask you out in the long run.

I should warn you though, do not buy this eBook if you're looking for a quick fix without having to do any work. The strategies in this book require a time investment on your part, but I can guarantee you one thing, they work.
