This is a Sweet/clean Romance story with no explicit scenes, with a Surprise BONUS Inside!

Poverty is a lifestyle that Josephine Cantwell is well aware of.

She has spent her life scraping by. Working one job here and another job there without ever much to show for it leaves her with no hope for the future.

Eventually, she is told by her boss that her current job is going to end.. With her health slowly failing and no money to her name, going to the doctor is out of the question.

Finding herself in a hopeless place, Josephine puts an ad in the paper for a mail order bride.

A wealthy, handsome Texas man responds, and Josephine is launched into a whole new world. She has no idea that there are such things as mansions and servants in real life, but even all the money in the world can't improve her health.

She is finally forced to go to the doctor, where the prognosis is grim. She faces surgery with little chance of survival, and her husband is faced with losing all of his wealth.

Is he going to choose to risk everything for his wife? Will she be able to pull through? And what is this surprise that awaits them on a cold, winter morning?
