Romanitas - Filología Románica - Romanística (Beihefte Zur Zeitschrift Fa1/4r Romanische Philologie) (Spanish Edition) Holtus, Günter

The volume aims to convey an impression of the richness and fascination of Romance Philology and the infinite variety of the contours and contents of the field of Romance Studies. The author was less concerned with developing novel theoretical models, but rather wanted to trace the manifestations of the most important stages in the development of the subject area and wherever possible to complement them with his own contributions.
