Dalton has the reputation as a good-timin'man. But this past year his life was upended. With both brothers now married, its' enough to make this bachelor turn on his heel and run. Until the past waltzes back into town, looking more beautiful and less interested than when last they met. Dalton, usually on the run from relationships, finds himself trying to convince Angelique that he's a keeper. And while her kisses imply her attraction, she's holding something back and Dalton's determined to find out her secret.

Angelique's past is the topic of an afternoon talk show--caring for an alcoholic mother, involved in an abusive relationship that nearly cost her and her daughters lives. Fate offer her a second chance to turn things around, but when she returns to End of the Line, sparks fly between her and Dalton and threaten to reveal secrets that could change their lives forever.
